Standard Operating Procedures

The purpose of the San Diego Community Power (SDCP) Community Advisory Committee is to advise the SDCP Board of Directors on the operation of its Community Choice Aggregation program, as stated in section 5.10.3 of the SDCP Joint Powers Authority (JPA) Agreement.

This document serves as a guide to the Community Advisory Committee (CAC) on how the CAC operates and interacts with SDCP staff and the Board. The following procedures are included:

- Running CAC meetings
- Interacting with SDCP Staff
- Interacting with SCDP Board of Directors
- Interacting with the Media
- Adding Agenda Items to Board of Directors Meetings
- Creating Ad-Hoc or Subcommittees
- Updating the CAC Work Plan

Running CAC Meetings

Once the Chula Vista nominees are approved at the May 28th Board of Directors meeting, a regular meeting schedule will be established for the remainder of 2020. Due to the stay-at-home order, meetings will be via Zoom until further notice.

Responsibilities:

- Chair:
  - Serve as the primary liaison and spokesperson for the CAC
  - Support SDCP Staff with setting the CAC agenda
  - Guide the CAC in developing an annual workplan consistent with the CAC Scope and supported by the Board of Directors
  - Determine if meetings are required or if a meeting should be canceled
  - Run CAC meetings (ensure that all CAC members and community are heard, work to keep meetings to allotted time, as well as manage public comment submissions)
  - Determine which specific agenda items from the upcoming Board of Directors meeting will be prioritized during the CAC meeting
  - Work with staff to gain access to Zoom in hosting the CAC meetings. In the event that stay-at-home orders are lifted and an in-person meeting is necessary, the Chair will work with staff to determine a suitable meeting location
  - Represent the CAC to the Board to provide updates, submit information, or respond to Board requests
Represent the CAC to other organizations or at events, as appropriate

- Vice-Chair: Take over the CAC Chair responsibilities in the even the Chair is not available
- Secretary:
  - Take attendance and meeting notes
  - Work with SDCP staff to ensure meeting agendas are finalized and posted online
- Members:
  - Attend each meeting or inform SDCP staff and the CAC Chair if they will be late or absent
  - Review any information provided in advance and come to the meeting prepared
  - If requested and where feasible, participate in sub- or ad-hoc work groups that may be established to cover specific topics
  - Represent the interests of their communities at the CAC and share information about the CAC with their communities
- SDCP Staff:
  - Create a draft agenda for each meeting and finalize with CAC Chair
  - Notice CAC meeting according to Brown Act requirements
  - Support Secretary in posting the CAC meeting agenda at least 72 hours before a regular CAC meeting or 24 hours before a special meeting
  - Provide general support and respond to questions during CAC meetings as needed
  - Communicate any CAC recommendations to the Board so they have a chance to review prior to Board of Directors meetings

The CAC will seek consensus where possible. Where consensus is not reached, the Chair will seek to communicate diverging views in delivery of the recommendation to the Board.

**Election of Officers**

Officers may be nominated or self-nominated and elected at the first meeting of a calendar year by a simple majority vote of the CAC. The terms will be for each calendar year, with the option for officers to be re-elected for up to three terms.

**Interacting with SDCP Staff**

The CAC Chair is the primary liaison to SDCP staff for all matters related to the CAC.

**Interacting with SDCP Board of Directors**

The CAC Chair is the primary liaison to SDCP staff and the Board for all matters related to the CAC. It should also be noted that the CAC Chair may also be called upon by the Board Chair to speak on various matters.
Interacting with the Media

Any media inquiries that CAC members receive shall be redirected to SDCP Staff.

Adding Agenda Items to Board of Directors Meetings

There are two ways that the CAC may bring items forward to the Board meeting:

1. **Standing Board Agenda Item**: CAC Report. The CAC report may be a standing item on the Board agenda, in which the CAC Chair or CEO reports on updates related to a recent CAC meeting.

2. **Suggesting Board Agenda Items**: The CAC may suggest agenda items for a Board of Directors meeting agenda. These must have prior approval of SDCP staff and the Chair of the Board of Directors to be added onto the agenda. If approval is provided, staff must be given at least 5 days before the date of the Board meeting to work with the CAC to draft any memos and materials necessary.

Creating Ad-Hoc or Subcommittees

The CAC may create ad-hoc committees or subcommittees to address issues more in depth outside of CAC meetings and bring findings or recommendations back to the full CAC.

Ad-Hoc committees are temporary committees appointed for a specific purpose, such as updating the work plan. Ad-hoc committee meetings do not require public notice and thus must have fewer than a majority of members of the CAC to avoid violations of the Brown Act. Ad-hoc committees and committee meetings can include non-CAC community members.

The CAC Chair will seek volunteers during a CAC meeting to form an ad-hoc or subcommittee. The CAC Chair will work to ensure all CAC members have a chance to participate on various groups as formed throughout the year.

Standing subcommittees are permanent subcommittees created to review long-term issues, such as rates or budget. These meetings must be publicly noticed and agendized consistent with the Brown Act.

Creating and Updating the Work Plan

The CAC will adopt a work that aligns with the CAC scope provided by the Board of Directors. This shall be updated annually from the date that the first version is adopted.
