Hello clerk or whom it may concern,

My name is Matthew Vasilakis, a community advisory committee member representing the city of San Diego and I am writing to comment on item 9, CAC elections. Specifically, I am writing to express my support for David Harris to be the next chair of the CAC. Over the last 5 years, David has been a stalwart champion for La Mesa, our collective communities, and Community Power. His leadership has been admirable and effective in shaping our committee and this organization, including on various subcommittees, at countless community events, and in our committee meetings. I would be thrilled to see David elevated to Chair this upcoming fiscal year to lead our committee and support our community work. Please support David for CAC Chair.

Thank you.
