

IT'S TIME FOR A CHANGE.

A change to cleaner energy choices, to stable electricity rates that's managed by the people who use it, and to programs that benefit you.

It's time for San Diego Community Power.

San Diego Community Power

San Diego Community Power (SDCP) is a Community Choice Aggregator (CCA) that will serve your community and it's your chance to choose cleaner electricity at competitive rates. We put our communities first, helping you take a giant step toward a more sustainable energy future.

Community Choice programs are changing the way Californians buy their electricity. These locally managed, not-for-profit programs are growing across the state, because they focus on what families need and want most, rather than on shareholder profits.

Cleaner power, local control and competitive rates

Beginning in March 2021, San Diego Community Power will become your default electric generation service. You will be automatically enrolled in our standard program tier, **PowerOn**. Allowing you to do the right thing without doing a thing.

Terms & Conditions of Service

San Diego Community Power electric generation rates are managed with the intention of providing cleaner electricity at competitive rates. Any changes to SDCP rates will be adopted at duly noticed public hearings of the San Diego Community Power Board of Directors. Changes to SDG&E or SDCP rates will impact cost comparisons between SDCP and SDG&E. SDG&E charges SDCP customers a monthly Power Charge Indifference Adjustment (PCIA) and Franchise Fee Surcharge. SDCP has already accounted for these additional charges in calculating rates. View SDCP rates and SDG&E cost comparisons online at SDCommunityPower.org or by calling 1-888-382-0169.

BILLING: You will receive a single monthly bill from SDG&E that includes SDCP's electric generation charges. SDCP's electric generation charge replaces SDG&E's electric generation charge. SDCP's charge is not a duplicate charge or extra fee. SDG&E will continue to charge you for electric delivery services. If you opt out of SDCP, SDG&E will resume charging you for electric generation.

ENROLLMENT: As the default electricity provider for the cities of Chula Vista, Encinitas, Imperial Beach, La Mesa, and San Diego, you will be automatically enrolled into San Diego Community Power service unless you opt out at least five business days before your meter read date during the enrollment month. Accounts will be enrolled in SDCP's PowerOn on your regularly scheduled meter read on or after the first day of the enrollment month. You may choose to opt-up to Power100, which provides 100% renewable energy service at a slight premium.
