

Now is the time for cleaner energy choices,  
competitive electricity rates that are  
managed by the people who use them,  
and for programs that benefit you.

**Welcome to San Diego  
Community Power.**

# San Diego Community Power

**San Diego Community Power (SDCP)** is here and we're happy to be serving your community! Being a part of San Diego Community Power gives you the choice of cleaner electricity at competitive rates. As a locally managed, not-for-profit agency, we focus on the needs of our communities first.

**As of June 1, 2021\*, San Diego Community Power became your new electric generation service provider.**

You are now enrolled in our standard service offering, **PowerOn** which provides you with 50% renewable energy – all without you having to do a thing! **PowerOn** is priced competitively to what you were paying before, yet is higher in renewables and lower in carbon than the power you've been buying from SDG&E.

## **WANT TO GO ALL-IN AND BE AS RENEWABLE AS POSSIBLE?**

You can choose to upgrade to our premium 100% renewable service, **Power100**. Completely free of fossil fuels, there is no better way to reduce your carbon footprint through energy usage than upgrading to **Power100**.

Upgrade now and see how it feels—you can always go back to our standard service level if you change your mind. Or, you can always choose to return to San Diego Gas & Electric (SDG&E) service, but you'll be missing out on some benefits that we think are pretty important.

**To learn more about San Diego Community Power and our benefits, change your service level, or to opt out, visit: [www.SDCommunityPower.org](http://www.SDCommunityPower.org) or call 1-888-382-0169**

\*June 2021 began enrollment for Commercial and Industrial accounts only. Residential accounts will begin enrollment starting in February 2022. For more information on enrollment please see the FAQ section of our website at [www.SDCommunityPower.org/faq](http://www.SDCommunityPower.org/faq). The terms and conditions of our service can be found at [www.SDCommunityPower.org/terms-and-conditions](http://www.SDCommunityPower.org/terms-and-conditions).

## **Here are the benefits that you can expect from San Diego Community Power:**

- **Cleaner power at competitive prices** with tiered energy programs to support healthier communities
- **Locally managed and controlled** to prioritize people and rate transparency
- **Reinvestment of revenues into community programs** that support economic vitality
- **Local job creation** through funding of renewable energy projects close to home
- **Proven success**—more than 200 communities in the state are already saving money while reaching their climate action goals

### **Terms & Conditions of Service**

San Diego Community Power electric generation rates are managed with the intention of providing cleaner electricity at competitive rates. Any changes to SDCP rates will be adopted at duly noticed public hearings of the San Diego Community Power Board of Directors. Changes to SDG&E or SDCP rates will impact cost comparisons between SDCP and SDG&E.

SDG&E charges SDCP customers a monthly Power Charge Indifference Adjustment (PCIA) and Franchise Fee Surcharge. SDCP has already accounted for these additional charges in calculating rates. View SDCP rates and SDG&E cost comparisons online at [SDCommunityPower.org](http://SDCommunityPower.org) or by calling 1-888-382-0169.

**BILLING:** You will receive a single monthly bill from SDG&E that includes SDCP's electric generation charges. SDCP's electric generation charge replaces SDG&E's electric generation charge. SDCP's charge is not a duplicate charge or extra fee. SDG&E will continue to charge you for electric delivery services. If you opt-out of SDCP, SDG&E will resume charging you for electric generation.

**ENROLLMENT:** As the default electricity provider for the cities of Chula Vista, Encinitas, Imperial Beach, La Mesa, and San Diego, you will be automatically enrolled into San Diego Community Power service unless you opt-out at least five business days before your meter read date during the enrollment month. Accounts will be enrolled in SDCP's PowerOn on your regularly scheduled meter read on or after the first day of the enrollment month. You may choose to opt-up to Power100, which provides 100% renewable energy service at a slight premium.

**To sign up for Power100, please visit [SDCommunityPower.org](http://SDCommunityPower.org) or call SDCP at 1-888-382-0169.**
