Who is San Diego Community Power?

San Diego Community Power is a community-owned organization that provides affordable clean energy and invests in the community to create an equitable and sustainable future for the San Diego region. We aim to be a global leader, inspiring innovative solutions to climate change by powering our communities with 100% clean affordable energy while prioritizing equity, sustainability, and high-quality jobs. We are a values-led, mission driven organization grounded in Justice/Equity/Diversity/Inclusion (JEDI), Impact, Integrity, Innovation, Servant Leadership, and Togetherness.

Our History

San Diego Community Power (SDCP) was formed in 2019 as a public, not-for-profit community choice aggregator (CCA) in the San Diego region. We began electric service in 2021 and serve five member agencies: San Diego, Chula Vista, Encinitas, La Mesa and Imperial Beach, with the unincorporated communities of the County of San Diego and the City of National City joining in 2023. SDCP was formed to bring local control and customer choice to San Diego while also providing clean and renewable energy at competitive rates. By the end of 2023, SDCP will provide electricity for nearly half the electric load in San Diego Gas and Electric's service territory and will be the second largest CCA in California.
