

WELCOME TO SAN DIEGO COMMUNITY POWER

Powering a clean energy future
for our community

Visit us at SDCommunityPower.org

Welcome to the neighborhood!

We're **San Diego Community Power**, your community-driven clean energy provider. We are a locally run, not-for-profit public agency serving the San Diego region with cleaner energy and reinvesting in our community through customer programs and education.

With the move to your new address, Community Power now generates the electricity you use.

How It Works

COMMUNITY POWER

Buys electricity from renewable resources

SDG&E

Delivers power and maintains the grid

YOU

Enjoy cleaner power at competitive rates

San Diego Community Power

Your Energy. Your Choice.

Being a San Diego Community Power customer means you can make choices about your energy. You were automatically enrolled in Power100, our 100% renewable energy service. For about \$5 more per month than our PowerOn service, you are creating a cleaner and greener future for Encinitas!*

PowerBase

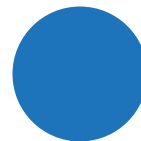

PowerBase is our most affordable service level and is **45% renewable**.

PowerOn

PowerOn is our standard service level and is at least **50% renewable**.

Power100

Power100 is our premium service level and is **100% renewable**.

You can change your service level or opt out and return to SDG&E service at any time.

To learn more about Community Power and our benefits, change your service level, or to opt out, visit our website at www.SDCommunityPower.org or call 1-888-382-0169.

Para obtener más información sobre Community Power y nuestros beneficios, cambiar su nivel de servicio u optar por no participar, por favor visite www.SDCommunityPower.org o llame al 1-888-382-0169.

**Based on a typical household monthly usage of 500 kWh. Power100 premium is \$0.01 per kWh. Your actual cost will vary depending on your usage.*

Terms & Conditions of Service

San Diego Community Power electric generation rates are managed with the intention of providing cleaner electricity at competitive rates. Any changes to Community Power rates will be adopted at duly noticed public hearings of the San Diego Community Power Board of Directors. Changes to SDG&E or Community Power rates will impact cost comparisons.

All SDG&E and Community Power customers pay a monthly Power Charge Indifference Adjustment (PCIA) and Franchise Fee Surcharge. Community Power has already accounted for these after-market charges in calculating rates. View Community Power rates and SDG&E cost comparisons on our website.

ENROLLMENT: You were automatically enrolled in San Diego Community Power service, as Community Power is the default electricity service provider for the cities of Chula Vista, Encinitas, Imperial Beach, La Mesa, National City, San Diego, and the unincorporated County of San Diego. Per City Council decision, accounts within the City of Encinitas are automatically enrolled in Community Power's Power100 service level when electric service is started at a new premises. Customers may choose to opt down to PowerOn, which provides at least 50% renewable energy service, or to PowerBase, which provides 45% renewable energy and is our lowest-cost service level. You may also opt out of Community Power all together and return to SDG&E.

BILLING: You will continue to receive a single monthly bill from SDG&E that includes San Diego Community Power's electric generation charges. These charges replace SDG&E's electric generation charges and are not duplicate or extra fees. SDG&E will continue to charge you for their electric delivery services. If you opt out of Community Power, SDG&E will resume charging you for electric generation.
