

OPEN POSITION ANNOUNCEMENT!

IT Systems Analyst

Open until filled. Posted 10/14/2024

San Diego County – Full On-Site Position

About the role: Community Power is seeking an experienced IT Systems Analyst to join our growing team of technology experts who are building a world class IT & Data organization. A key priority of this role will be to assist in providing systems support for Community Power's IT and data systems and support end-users. This role will be responsible for implementing and deploying IT infrastructure and computing systems to allow Community Power staff to utilize and implement IT systems. This role will assist the IT Manager in ensuring that Community Power is using up-to-date technology, and all systems work as expected and efficiently.

This position will be a fully on-site position and will report to the IT Manager.

WHO IS COMMUNITY POWER?

Community Power is a community-driven, not-for-profit public agency providing cleaner energy to the San Diego region. Formed in 2019, Community Power is the second largest Community Choice Aggregator (CCA) in California, serving nearly 1 million customer accounts across its member agencies: the Cities of San Diego, Chula Vista, Encinitas, Imperial Beach, La Mesa and National City, as well as the unincorporated areas of San Diego County.

OUR HISTORY

Community Power was formed in 2019 as a public, not-for-profit community choice aggregator (CCA) in the San Diego region. We began electric service in 2021 and serve five member agencies: San Diego, Chula Vista, Encinitas, La Mesa and Imperial Beach, County of San Diego, and National City. Community Power was formed to bring local control and customer choice to San Diego while also providing clean and renewable energy at competitive rates. By the end of 2023, Community Power will provide electricity for nearly half the electric load in San Diego Gas and Electric's service territory and will be the second largest CCA in California. For more information, please visit SDCommunityPower.org.

COMMITMENT TO DIVERSITY

At Community Power, we value diversity and are committed to creating an inclusive environment for all employees. We represent a diverse customer base and hope to hire employees that reflect our communities. We provide equal employment opportunities to all applicants for employment and prohibit discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state, or local laws.
