

San Diego Regional Energy Network Commercial Sector Programs Implementation

Request for Proposals #25-008

Interested Parties List

May 22, 2025

As a courtesy, San Diego Community Power made a form available to interested parties who would like to submit their contact information to be on an Interested Parties List for this RFP. Submission is entirely voluntary, and inclusion on this list does not constitute prequalification, endorsement or recommendation by Community Power of any firm on the list.
