Second RFO for Solar Advantage (Disadvantaged Communities Green Tariff)
RFO Addendum #2 dated September 30, 2025

NOTICE TO ALL POTENTIAL RESPONDENTS:

The Request for Offers (RFO) is modified as set forth in this Addendum. The original RFO remains in full force and effect except as modified by Addendum 1 and 2, which is hereby made part of the RFO. Respondent shall take Addendum 1 and 2 into consideration when preparing and submitting its Offer.

The following clarifies and revises the RFO Announcement:

1. Section “xv. Labor” on page 4 and 5 has the following change depicted below.

xv. Labor: Projects must pay prevailing wages, including all tiers of subcontractors. In accordance with San Diego Community Power’s Inclusive and Sustainable Workforce Policy, higher evaluation ratings will be given to offers that, among other things:

- a) ~~Illustrate commitments~~ **Commit** to employ workers and use businesses from San Diego and Imperial counties;
- d) Support and utilize local apprentices from State of California approved **joint labor management** apprenticeship programs

Offers that have executed, or have committed to executing, Project Labor Agreements (PLAs), **and/or committed to using apprentices from State of California approved joint labor management apprenticeship programs**, will receive the highest workforce development rankings.

2. The table, “RFO Schedule” on page 5 has the following date change to the RFO Activity, “RFO Response Deadline, Follow-up with RFO respondents, as necessary, Supplier Notifications (Short-List Selection), Evaluations of and negotiations with shortlisted Bidders, awards, and SDCP Board approval, and SDCP submits executed PPA(s) to CPUC for approval” depicted below.
