Matthew Vasilakis	Item 5	I plan to submit a comment but do not wish to speak		On behalf of Climate Action Campaign, we would like to thank Mark West for his leadership at San Diego Community Power. Mark has been a champion for everything this organization stands for, and we could not have had a better board director during this critical first year. We look forward to seeing all of the amazing things Mark will accomplish in the year's ahead, and hope to continue to work with him to build a better San Diego region. Thank you, Mark!
Matthew Vasilakis	Non-Agenda Public Comment	I plan to submit a comment but do not wish to speak		Good afternoon board chair, directors and staff. On behalf of Climate Action Campaign we would like to express our sincere appreciation for your tireless work to launch San Diego Community Power in the face of such transcendent bad faith behavior from SDG&E. Know that the community stands with you in building public power, and the mission you have all committed to carry out. We also want to welcome Mayor Serge Dedina to the board. His wealth of experience and knowledge will be critical as SDCP launches in the coming months. We look forward to working with you all in the new year. Thank you.
