### Introduction

San Diego Community Power (Community Power) rates are established to meet standard bill comparison targets approved by our Board of Directors. Any changes to Community Power's rates are adopted at public meetings of our Board. The rates shown in this document are for electric generation/supply only. Please visit: [www.sdge.com/rates-and-regulations/current-and-effective-tariffs](http://www.sdge.com/rates-and-regulations/current-and-effective-tariffs) for delivery rates and schedules.

Nonresidential rates include Commercial, Industrial, Agricultural and Lighting rates.
